

25 inspiring
insights into
Success

**This slide show
presents 25
inspiring insights
into success.**

introduction

1

Sometimes the key to success is the realisation that you don't achieve excellence by accident.

focus on excellence

2

The key to success
isn't to be one
amongst the many, it
is to rise above the
rest.

**don't settle for second
best**

3

Sometimes success is a
measure of repetition not
variation.

constantly improve

4

Sometimes the key to success isn't when you wait to make a decision, it's when you make a decision not to wait.

take risks

5

The key to success is to be in the best place to make the right choice and to be in the right place to make the best decision.

be where it matters

6

The difference between success and failure, isn't what stands in front of you, it's what you allow to stand in your way.

refuse to be denied

7

With ideas, the key to success isn't to know that you have them, it's to do something with them.

execute a plan

8

On the path to success, don't make excuses, make changes.

be ready to make changes

9

Sometimes the key to success is what you do if you don't know.

have a fall back plan

10

Sometimes the best measure of success aren't the several points of strength, it's the single point of failure.

**be strong where it
counts**

11

The best test of success isn't to show that you're strong enough, it's to prove that you're tough enough.

toughen up

12

Sometimes the key to success isn't a consistent path it's a course correction.

correct your course

13

With success, you cannot achieve a better outcome if you think you know it all.

work with others

14

The key to success isn't how clearly you see the signs, its how quickly you get the point.

be alert

15

The key to success is not whose need is greater, it's who wants it more.

you have to want it

16

The key to success isn't the desire to want to be there it's the effort it takes to get there.

make the effort

17

The key to success is to do your best to the extent that you're able, by trying your hardest to the extent that you can.

give it your very best

18

Sometimes, the key to success is to be desperate enough to want to do it and determined enough to see it through.

stick it out

19

For those who seek success, no incentive is needed, but for those who accept to fail, any excuse will do.

don't accept excuses

20

With success, don't expect it to come when you're ready, but do expect to be ready when it comes.

be ready

21

The best measure of success isn't how high you can go or how far you can reach, it's what you achieve when you get there.

make success count

22

**True success is
balance between
what you're
entitled to and a
reasonable view
of what others
deserve.**

share the rewards

23

The key to success isn't what you look like when you start, or what you go through before you finish, it's what you become when it's over.

**learn from the
experience**

24

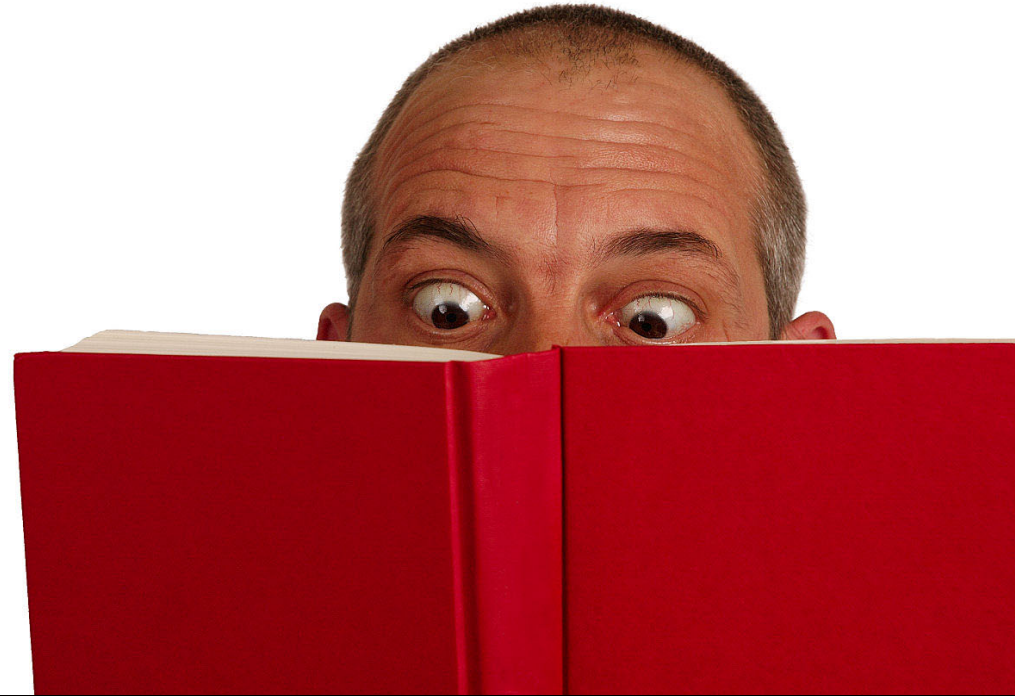

Sometimes the key to success is to try something different, with someone new, somewhere else.

be strong

25

With success, you can only see the outcome when you see it from a distance, but you will only know the cost, when you take a closer look.

count the cost

believernomics

Believernomics is a concept developed and designed by pa360 media. It builds upon practical learning and experience gained from 25 years of public, private and voluntary sector employment; as well as a wide range of skills gained in senior public sector management, workforce development, strategic planning and stakeholder engagement.
