effective leadership

5

tips

www.believernomics.com

1

Give clear direction. This will help establish your reputation for decisive leadership.

2

Don't ask anyone to do anything that you are not prepared to do first. This will help to establish respect for your leadership.

3

Be prepared to make sacrifices for others. This will help to establish your reputation for selfless leadership.

4

Take personal responsibility if things go wrong. This will help establish trust in your leadership.

5

Empower those who you lead to become leaders. This will help you to develop a culture of leadership.
